23rd of July 2024

Subject Selection Information for Year 8

Dear Parent, Caregiver and Year 8 students,

APCS will hold a Subject Selection Information Evening at school for parents and students to come and learn about the elective courses on offer for Years 9 and 10.

In addition to the face-to-face opportunity to chat with some Teachers there is a website where you can watch some videos which explain information about the subjects on offer. Follow this link to the website:

https://sites.google.com/education.nsw.gov.au/alexandriaparkcommunityschool/home

Please note, that you will only refer to the stage 5 course descriptor videos page on this website where you will find short videos the teachers have made about their subjects on offer.

The booklet you will refer to can be found on our school website:

https://alexparkcs-c.schools.nsw.gov.au/ - and navigate to, 'important parent information'

Students will study three electives and two reserves in Years 9 and 10.

Please note that while many courses are offered, a course will only run if there are sufficient numbers of students interested in studying the course.

Students are also able to study a language via the NSW School of Languages or the Saturday School of Community Languages. See their websites for further information.

https://nswschoollang.schools.nsw.gov.au/
https://saturdaycl-h.schools.nsw.gov.au/
What to do next…

- Year 8 APCS Course Information Book. Issued on website by Friday August 2nd, Week 2 Term 3
- Parent Teacher information evening - Wednesday AUGUST 14th from 3:45 to 5pm (week 4)
- Students submit elective subject choices *(Page 31 of the booklet found on the school website)* with your year adviser/Deputy during school hours between: Thursday August 15th Week 4 and Friday August 23rd, Week 5, Term 3

Please call the school if there are any questions.

Mr. S. Marcos
Deputy Principal

Community Opportunity Success
