Primary School Tour for
enrolment 2026

Wednesday 19 March

Harmony Day

Thursday 20 March

Pulse Alive Performance

Friday 21 March

Ride2School Day

Friday 11 April

Last day of Term 1

Reading Project

Yesterday we commenced a reading project with University of Sydney and students in Years 4,6,8 and our high school support unit. We have a longstanding partnership with this university and have run the program over many years. From now until the end of term, targeted students will be part of an intensive tutorial program to develop their literacy skills. This year we have over 40 university tutors. Thank you to our primary and high school learning & support teams for facilitating this amazing program.

Respecting our APCS Local Community

We have reports from local residents in Power Avenue and Belmont Street of parents continuing to park across driveways unlawfully, often double-parking and blocking access. This behaviour is causing local residents' distress and frustration and is also illegal. Should parents continue these actions we will advise council rangers to patrol the area to reinforce safe driving and parking during school drop off and pick up.

Ride2School Day Friday 21 March 2025

Ride2School Day is coming up on Friday 21 March and it is a nationwide program that encourages students to ride, walk, skate or scoot to school enabling them to get physically active on their journey to school and kick start healthy habits for the future. Looking forward to seeing our students embrace this great initiative.

Harmony Day

A reminder that our primary school Harmony Day assembly is next Wednesday 19 March. Children can come in cultural dress or wear orange. The assembly starts at 915am. **Parents and carers welcome!**

Debra Lade - Principal

Alexandria Park Community School is on Cadigal Land
