Monday 31 March-2 April

K-6 Parent Teacher
Interviews

Tuesday 1 April

Year 7 Vaccinations

Tuesday 1 April

NASCA Exhibition

Friday 11 April

Last day of Term 1

Peer Support

Peer support is a holistic wellbeing program, for our Year 7 students led by our Year 10 leaders. Focusing on building strong relationships, empowering students and nurturing a sense of belonging, our leaders have been having weekly sessions with their Year 7 peers this term. Well done to all involved!

Parent Teacher interviews K-6

Parents & carers of K-6 students will have the opportunity to discuss their child's academic progress and learning goals at our in-person parent teacher interviews. Information regarding booking times and room locations was sent via SchoolBytes earlier this week. Bookings close Friday 28 March with interviews being held Monday 31 March to Wednesday 2 April. A reminder that parents can book interviews through the SENTRAL parent portal at https://alexparkcs-central.com.au/s-3XZjX7/auth/portal?user_type=parent or via the SENTRAL for Parents App. If there are no suitable times left, please contact your child's class teacher.

Emergency Evacuation

There was an emergency evacuation today, Wednesday 19 March, as a result of an alarm being inadvertently set off by the fire department during routine maintenance of equipment. The school performs regular emergency drills throughout the year as part of mandatory requirements to ensure a safe workplace. Today, children performed exceptionally, and staff knew what actions to take. Whilst evacuations can be viewed as an inconvenience, regular drills ensure we are safe.

Kitchen Garden

In Kitchen Garden this term, Stage 3 are completing the OzHarvest FEAST program with a focus on food waste. A highlight has been our cooking lessons, where we have learnt to cook simple recipes including fruit skewers, crunchy noodle salad, fast fritters, and banana pikelets. Stage 3 students have developed many valuable skills. Students have also been able to impress their families by recreating these recipes at home. Great work!

Debra Lade - Principal

Alexandria Park Community School is on Cadigal Land
