Year 7 2026 Open Night

On the 4th of March, we hosted an informative open night for families considering our school for Year 7 in 2026. During the evening, Heads of Faculty presented details about their subject areas, providing insights into what incoming students can expect as they transition into High School. Families were also invited to tour the school. We hope everyone enjoyed the evening and found the information helpful. We look forward to hosting more opportunities throughout the year.

Swimming Carnivals

Congratulations to all primary school students who represented our school at the Zone Carnival. A great effort by all!

Congratulations to our High school Head Teacher Ms Baker and her PDHPE Team for a successful swimming carnival last Friday. Another successful APCS event!

NAPLAN 2025

NAPLAN will commence for all Alexandria Park Community School students in **Years 3, 5, 7 & 9 on Wednesday 12 March**. All assessments will be online except for Year 3 Writing which will be handwritten. NAPLAN tests assess student knowledge and skills in writing, reading, conventions of language (spelling, grammar and punctuation) and numeracy. Individual student results will be provided to parents and students later in the year.

Please ensure your child is on time for school during this period. If a student is absent for a scheduled assessment they may be able to make it up on another day, providing it is within the test window.

School Photo Day 10 & 11 March

APCS photographs will be held on Monday 10 March for High School & siblings, and Tuesday 11 March 2025 for Primary School. Envelopes were sent home Monday 3 March, outlining costs for the various photo packages. Students should bring their envelope on their respective photo day. If you wish to order sibling photos, envelopes can be collected from the office.
