

## **P & C meeting 1 March 2021 Principals report**

**The APCS School Improvement Plan 2021 – 2014** - Consultation with parents and carers about our 3 Strategic Directions. Diane to talk about the consultation process at the P & C meeting

### **Actual numbers 2021**

Student enrolment numbers are continually changing.

Kindergarten	85		Year 7	115
Year 1	73		Year 8	90
Year 2	77		Year 9	98
Year 3	74		Year 10	78
Year 4	59		Year 11	70
Year 5	86		Year 12	57
Year 6	75			

17% Aboriginal and Torres Strait Islander

53% Language background other than English

### **Staffing**

Sheree Bourke Head Teacher of Science has taken up the position of Deputy Principal at Tempe High School

Christy Godby continues in the above establishment position of Deputy Principal Instructional Leader

Then primary leadership structure of co-teaching Assistant Principals on each stage continues to bring enhanced leadership and support in the primary school

Welcome back Assistant Principal Amanda McLeod. Ms McLeod will on the Stage 1 team working (Wednesdays and Thursdays)

Much thanks to our great School Administration Support Team. A massive start to the 2021 school year with never before seen demands on the 'front of house'. We have employed some casual staff as we await the appointment of new permanent SASS staff. Please beware that our casual office staff are in tiring learning about all of the systems and also about our children and families.

### **High School Meet the year 7 Teachers an outstanding success**

Survey feedback from parents and carers who attended the event tells us that;

52% of those who provided feedback sheets strongly agreed that the Meet the Teacher Event met their expectations. The remaining 48% agreed the Event met their expectations.

Almost two-thirds (66%) of those who provided feedback sheets strongly agreed the Meet the Teacher Event set a culture of high expectations for student learning and achievement. The remaining 34% agreed the Event set such a culture.

59% of those who provided feedback sheets strongly agreed that the Meet the Teacher Event helped to develop a culture of collaboration and partnership between the school and home. The remaining 41% agreed the Event helped to developed such a culture.

### ***Some additional comments***

Very informative, lots of good content. Nice to get some familiarity.

It was interesting and informative.

Great intro to parents! Thanks.

Highly engaged and enthusiastic team. Great to see this energy and we all want to return to school after hearing about high school so far. Thank you.

Great speakers from all teachers. Very informative and personal. Thank you teachers.

**February newsletter**

Please take time to read the newsletter – the monthly newsletter is a quality communication which informs the community about the exciting programs and opportunities at Alex Park.
