

# Alexandria Park Community School

Works notification

May 2020

Dear neighbour,

We are redeveloping Alexandria Park Community School so students from Kindergarten to Year 12 can learn in innovative learning environments. The upgrade is progressing well and works are on schedule.

In line with the *NSW Environmental Planning and Assessment (COVID-19 Development – Construction Work Days) Order 2020*, School Infrastructure NSW construction sites can operate on weekends and public holidays. This is to allow workers to abide by social distancing rules while on construction sites by distributing building work across the week.

It is necessary for working hours at Alexandria Park Community School to extend in order to abide by the social distancing rules.

Starting on Saturday 2 May, Saturday works will be extended to 7:00am until 3:30pm.

Starting on Sunday 17 May, works will extend to Saturday and Sunday from 7:00am to 6:00pm.

School Infrastructure NSW will ensure work is considerate of neighbours with noise kept to a minimum. The extended hours will continue while the EPA COVID-19 order is in place.

The health, safety and well-being of our neighbours is our highest priority and we will continue to keep the community updated when these hours change.

Thank you for your patience and consideration during these important works.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across New South Wales. The delivery of these important projects, including the Alexandria Park community School redevelopment, is essential to the future learning needs of our students and supporting growth in the local economy.
