

Acknowledgement of Country day – showing our respect and solidarity to First Nations peoples.

Wednesday 1 July 2020

BBQ Fundraising event for NASCA (National Aboriginal Sporting Chance Academy) <https://nasca.org.au/>

It has been a challenging time for our Aboriginal and Torres Strait Islander communities. Let's show our support and respect for our APCS Aboriginal and Torres Strait Islander students, staff, families and community partners in the 'Alex Park way', by acknowledging the Traditional Custodians, and Owners of the Land, the Gadigal people and by raising funds for our partner organisation NASCA.

NASCA 'Acknowledgement of Country Challenge'

An Acknowledgement of Country can be said by anyone, Indigenous or non-Indigenous. This is because it's about respecting the Traditional Custodians, their Country and their history. When you acknowledge Country you also acknowledge the Elders of that mob and their Lore, promising to respect them and their land while you're on it.

On Wednesday 1st July, APCS will partner with NASCA on their 'Acknowledgement of Country Challenge' and raise funds through the K – 12 BBQ to support the NASCA organisation. We will create films of groups of staff and students Acknowledging Country. The video's will be posted on the school's Facebook site. We encourage parents to tag [@NASCAMOB](#) and nominate 3 friends to join the challenge.

NASCA BBQ Fundraiser/Sausage sizzle

Hosted by the primary and secondary SRC's, there will be both chicken and beef (Halal).

If you would like your child to have a sausage sizzle lunch for \$2, please fill in the preorder form below and hand it, with your money, to your classroom teacher before Monday 29th June 2020.

2020 Acknowledgement of Country Day BBQ

Childs name: _____

Class: _____

Beef Sausage:

\$2 Paid

Chicken Sausage:
