Monday 3rd August 2020

Dear Parents/Caregivers,

STAGE 2 – EARTH, MOON AND SUN SCIENCE INCURSION

As part of our Stage 2 Science Unit, Earth and Space, 'Mad about Science' will run a 90 minute workshop for Years 3 and 4 students.

This incursion was originally planned for Term 2, however it was unable to go ahead because of restrictions due to Covid 19.

Students will identify the Earth as a planet orbiting around a star (the Sun). They will use models to examine the Earth and its Moon, their sizes and relative distances from the Sun and the nature and duration of their orbits. As well, they will examine the interactions between Sun, Earth and Moon which give rise to day and night, phases of the Moon and seasons, as well as irregular events such as eclipses.

Location: School hall

Date: Tuesday the 11th August & Wednesday 12th August.

Cost: \$11.50

Please return the permission note and payment by Friday 31st July. **PLEASE NOTE: IF YOU HAVE ALREADY PAID YOU DO NOT NEED TO PAY AGAIN, HOWEVER YOU NEED TO RETURN A NEW PERMISSION NOTE.**

This payment can be made using cash, EFTPOS, credit card or cheque at the school office. Cheques are to be made payable to 'Alexandria Park Community School'. You can also pay using POP (Parent Online Payment) which can be accessed through the school's website.

If you would like any additional information about the excursion, please feel free to contact the school.
