Dear Parent / Caregiver,

Your child has been offered the opportunity to participate in the following extra-curricular activity. Student behaviour is expected to be of the highest quality and students should attend the excursion day in the knowledge that they are representing our school.

Event: Year 7 Camp

Mode of Travel: Private Bus
Event Organisers: Tahlia Sanders
Total Cost: \$305

Additional comments:

Both the APCS Permission Slip and the Medical and Activity Restriction Form should be returned to the Bunin (front office) ASAP with a \$20 deposit to secure your place.

Students must return both the APCS Permission Slip and the NAC Medical and Activity Restriction Form along with a **deposit of \$20 by Friday, February 12th 2021 (Week 3)** to secure their place.

FULL PAYMENT is due by **Monday, 22nd February 2021 (Week 5)**.

Students may set up a payment plan with the school to assist them with covering the cost for the camp. They may discuss this with their year adviser.

Parents who need financial assistance are encouraged to discuss this with the year adviser. However, it is to be noted that the school can only cover 50%.

Students will be provided with more detail on the camp and a list of items to bring closer to the time.

Please note that due to the ongoing COVID-19 situation, we were unable to confirm the camp was going ahead until this term. We apologise for the somewhat late notice.

COVID-19 Guidelines:

The NSW Government is regularly updating COVID-19 guidelines based on current health information. Their latest instruction for schools states that overnight activities may take place so long as accommodation facilities and overnight event organisers develop and implement a COVID-19 Safety Plan and event organisers consider the issues of community transmission, isolating, and testing of those with symptoms. The situation will be monitored up to and during the event and updates will be provided accordingly.

Active Education Morisset have implemented a comprehensive COVID-Safe policy which involves limiting contact between students, capping the number of students in accommodation, allocating bathrooms for use by single groups only, and increased cleaning of all areas. If you would like to review this policy, please contact the school and we can send you a copy.

This activity has the support of the Principal.
