

## Health and Safety update

### A letter to the parents, carers, and students of Alexandria Park Community School

As of 19 August 2020 and as per updated Department of Education requirements, staff and students are NOT to attend school if they are unwell, even if they have the mildest of flu-like symptoms. Parents and carers are reminded NOT to send children to school if they are unwell.

Schools will make arrangements for students who present as unwell or have flu-like symptoms to be sent home. Staff who present at school as unwell or with flu-like symptoms will be sent home.

Students and staff with flu-like symptoms need to provide a copy of a negative COVID-19 test result before being permitted to return to school or work.

**Before your child can return to school** you will need to provide the Deputy Principal with either

- A screenshot of the text message stating the negative test result via email to the school email address [alexparkcs-c.school@det.nsw.edu.au](mailto:alexparkcs-c.school@det.nsw.edu.au). In the subject box write "Att Deputy Principal" OR
- A paper copy of the negative result handed to the Deputy Principal at the administration office OR
- A visual of the text message of the negative test results by showing the message to the Deputy Principal.

Thank you for your co-operation.

Yours sincerely,

Diane Fetherston  
Principal
