

# Meet the Teacher

Sarah Oluk

Hello Parents and Students,

Congratulations on your OC placement!

My name is Sarah Oluk and I'm the 5OC teacher for 2021. I'm proud to be a member of this diverse and vibrant school community and I am always grateful for the opportunity to work with incredible people and wonderful students.

I've been immersed in the world of high potential and gifted education for over 20 years, including working with students who are identified as twice exceptional. I am passionate about personalised education and building capacity with each student to help them set goals and reach their full potential.

I can't wait to start learning with the new Class 5O and I look forward to meeting you all at the information session. Welcome to Alexandria Park Community School!
