Dear Parents

I write to you to seek your permission for your child in Year 10 to participate in the Love Bites program.

The Love Bites Program will be delivered in two interactive workshops on **Wednesday 28th April** here at school and is scheduled to run throughout the day.

The Love Bites Program is delivered by a team of specially trained facilitators from government and non-government agencies and is based on best practice standards for education in the area of gender based violence.

Please see the accompanying information page for further details on the program and its content

If you would like to know more about the program content, please don't hesitate to contact me at school on 9698-1967.

If you *DO NOT* consent to your child attending these workshops, please sign below and return this note to school.

Thank You

Yours Sincerely
