

You are invited to—

Dreaming Alexandria Park

Aboriginal Family and
Culture Workshop

Story Telling
& Art Making

Aboriginal families and local community are invited to a Caring for Country cultural visioning workshop — sharing dreams for Alexandria Park.

The City of Sydney is upgrading the playground and barbeque area at Alexandria Park, as well as converting Park Road into a pedestrian thoroughfare. Your input will help us develop the concept which is the first step in the design process.

As part of this local project, the City seeks to work with cultural Knowledge Holders, Aboriginal and Torres Strait Islander community members and local school students to develop a cultural design strategy that will guide how First Nations stories are celebrated in the park.

Date: Saturday May 7th, 11am—1pm

Meet: 11am at the Alexandria Park kids playground to view the site.

At 11.30am we'll then walk together to Alexandria Town Hall.

Please note: the walk will take under 5 minutes and this event is fully accessible.

Please RSVP to design@djinjama.com or call (02) 8003 3007. Please let us know the number of attendees, names and ages.

Children to be supervised by parents/guardians. Covid safety and full vaccinations required.

Light lunch will be provided.
