CURRICULUM

Key Learning Area	Topics/ Strands	Content Covered
English	<i>Tamburlaine's Elephants</i> by Geraldine McCraughton- novel study	Students will analyse the novel through a focus on character, theme and language. They will also further develop their skills in reading comprehension and essay writing.
	<i>Mulan</i> - film study	Students will summarise the film and evaluate the intended messages and themes. They also will explore how aspects of personal perspective can influence understanding of the film.
Mathematics	Volume & Capacity	Students will choose appropriate units of measurement for volume and capacity.
	Mass	Students will select and use the appropriate unit and device to measure the masses of objects, and can convert between units of mass

	Position	Students locate and describe position on maps using a grid reference system to describe locations.
	Revision	Students will be given the opportunity to revise all concepts covered during the year.
Geography	Factors that Shape Places	Students will investigate how people change the natural environment in Australia and other places around the world. They will also explore how the environment influences the human characteristics of places.
Science and Technology	Material World	Students will investigate the ways materials can be changed and manipulated to suit various purposes. They will use design thinking to design a prototype of some new playground equipment considering its material properties.
Creative Arts	Dance	Students will perform and interpret dances from around the world. They will have a specific focus on Bangara Dance Company.
PDHPE	Get Active	Students will learn how to play basketball, soccer and softball. They will learn the rules of the games as well as the skills required to play. Students will learn the value of team sports.
	Managing change and transitions	Students examine change and investigate strategies to manage transitions and challenges. They will learn to recognise and understand types of change, e.g. physical change and changing feelings toward other people.

UNIFORM

All students must be in the correct school uniform. Please refer to the school's website <https://alexparkcs-c.schools.nsw.gov.au/about-our-school/uniform.html>

The approved uniform for APCS students is:

- APCS red polo shirt with logo
- Navy shorts/pants/skort, navy socks, black school shoes every day except on their sport day.
- Navy blue jumper or jacket with school logo

EQUIPMENT

During these challenging circumstances it is important that students keep in mind that they should not be sharing equipment whilst at school. This includes classroom supplies and playground sporting equipment. Students must also bring a water bottle to school as bubblers are not currently in use. All equipment should be clearly marked with students' names.

Kind regards,

JOY SMITH
