Before School Procedures

When students enter the school on their first day back they will come into the Burra Gorang. At 8:40 students will line up in their letter groups and be met by their class teacher under the Milperra.

The Burra Gorang is a passive area, this includes sitting and talking to friends and passive, quiet games. No balls should be kicked, passed or thrown and no running games are to be played. Students are not to use the play equipment. This ensures the safety of all community members in our playground before school.

High school students are reminded that this area is for all students from Kindergarten to Year 12.

Bikes and Scooters

There are bicycle and scooter racks around the Burra Gorang, for students to store and secure their bikes and scooters. Teachers will be able to help students locate these racks during the first week of term. Scooters, skateboards, helmets and protective gear are brought and stored at school at the owner's risk.

- Students are to always correctly wear an Australian Standards approved helmet when riding.
- Students must always ride in a safe manner following these guidelines and the NSW road rules relating to bicycles.
- Bicycles and scooters are not to be ridden in school grounds during or after school hours. All riders, students and adults are to dismount before entering the school grounds and walk their bikes or scooters with them whilst on the school grounds.
- Students are to store their bike or scooter in the correct manner in the appropriate storage area with a lock

Playground spaces

During lunch and afternoon tea breaks students will be able to use the following playground spaces at various times.

- Burra Gorang (including the play equipment)
- Milperra (COLA)
- Yarramundi (area designated for quiet play)
- Alex Park Oval
- Alex Park Basketball Courts

Sun Safety

All students should be sun safe at all times when in the school playground or on excursions. All students should apply sunscreen each morning before school and wear a hat when outdoors.

Water Bottles

All students are required to bring a refillable water bottle to school each day. This can be refilled at a number of taps and water bubblers around the school. Students are reminded that due to Covid19 restrictions, students are not permitted to drink directly from the water bubblers.

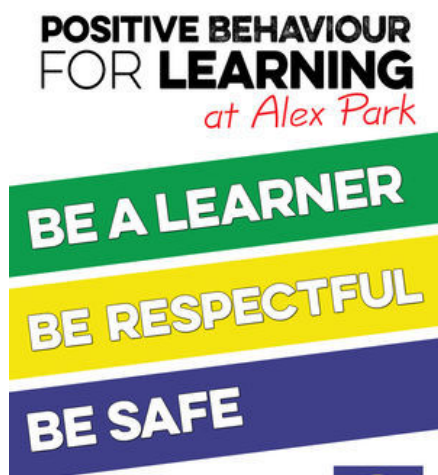

School Canteen

The school canteen will continue to operate 5 days per week. The canteen will operate under the guidelines of the NSW Department of Education Nutrition in Schools policy which can be found by visiting the following link: <https://education.nsw.gov.au/policy-library/policies/nutrition-in-schools-policy>

Students can order in person at the canteen before school, or online by registering with Flexischools - <https://flexischools.com.au/>
