## SOUNDWAVES SUBSCRIPTION 2020

Dear Parents and Caregivers,

At Alexandria Park Community School, teachers use a variety of methods and tools to deliver engaging and effective lessons to students. This year, teachers of Stage 1 students' classes will be using the phonics and word study program, **Soundwaves**. Soundwaves uses evidence-based research to effectively teach spelling and reading skills. It uses the **Sound Waves** synthetic **phonics** approach to focus on the process of synthesising (i.e. taking small parts and putting them together to form a whole).

The cost of Soundwaves is **\$18 per student** which includes a program subscription that allows them to access Soundwaves online, and a personal learning book that students will be able to take home at the end of the year. Payments can be made at the office or online through the school website (click on "Make a Payment" at the top of the home page). Please also sign the attached note below and return it to your child's teacher.

Thank you for your support.

Regards,

Debra Lade  
Deputy Principal
