ICAS is changing in 2019

Dear Parents / Carers

Alexandria Park Community School has previously provided the opportunity for students to participate in the annual ICAS Assessments. ICAS has taken an online format in current year. Its paper format has been named REACH Assessments.

At APCS in 2019, students can nominate to participate in Reach Assessments in the following tests: English, Mathematics, Science and Writing.

The assessments are suitable for students across a wide range of ability levels. Students are presented with high-quality, expert-developed questions allowing students to apply their learning without the need for prior study or revision.

To enrol your child in Reach, please complete the registration form overleaf and return it, with your entry fees, to school by April 12, 2019 (for Science Paper) or by Friday, May 24 for the remaining papers.

Find out more about Reach Assessments by visiting unsw.global/reach.

Yours sincerely
